

Dear Sir/Madam,

I trust you were satisfied with last year's FREE Homework Books.

We frequently receive positive feedback from the advertisers that make this project possible and a large percentage look forward to readvertising.

Please ensure the books are used for homework and are not covered.

I'm sure you would like to receive the books again for 2015, so please simply fill in the Authority below and fax it back to me on the toll free number. Should you require more information please feel free to call me.

Yours faithfully
